## Tree Planting in Pelham Bay Park:

On November 19, 2016, 10 Lajna members from Queens Jama'at volunteered to plant trees at Pelham Bay Park in the Bronx. Upon registering with the Parks Department, the Lajna members were given gloves and shovels and were led to the planting location along with volunteers from various groups and organizations. After an orientation by the group leaders, the Lajna worked together to pull out old roots and plant the trees into premade holes in their designated field. In under two hours, the Lajna managed to plant at least 150 Rose bushes and Maple tree saplings in the area. Upon completing their work, the volunteers were provided with lunch courtesy of the NYC Parks Department. The volunteering trip was successful as the Lajna were able to enjoy a nice outing while also giving back to the environment and the city. Inshallah we will have more opportunities to give back to our community in the future.

## Lajna Meeting:

Lajna meeting was held on the 2<sup>nd</sup> October 2016. The meeting started off with tilawat that was read by Mari-um Ghafoor sahiba. It was followed by Ahadith which was read by Nila Ahmad sahiba. Pledge was then led by sadr sahiba. Nazm was recited by Maham sahiba. It was followed by a group discussion led by Tehmina Rafeeq sahiba (taleem secretary) about what do people think about Halloween and what is the philosophy behind not celebrating Halloween. This was based on Hazoor's (aba) Friday sermongiven on October 29 2010 about how God has sent the

Promised Messiah (on whom be peace) to safeguard Islam from shirk and harmful innovations. The first condition of ba'ait says Almighty Allah Will Not Forgive Shirk. Hazoor (aba) said it should always be remembered that anything done in the name of fun that is based on shirk is to be avoided. Some ahmadis let their children participate in this without giving any thought to its origin. To conclude the taleem programme Afsheen Hadi sahiba, Ismat Mangla sahiba, Sadaf sahiba and other sisters did a presentation. It was followed by tarbiyyati programme conducted by Farah Ahmad sahiba on the 9<sup>th</sup> condition of bai'at as to what it means and refers to. Hazoor (aba) said one should have a sympathetic and caring approach towards all mankind, regardless of religion etc and that it is considered unfavorable when someone only gives sympathy and kindness to their own people. Hazoor<sup>aba</sup> expressed that a person should try and ease the pain and suffering of a Muslim brother, to extend a helping hand to them in time of need and to cover their faults this will surely carry a huge reward from Allah. These are the rights of mankind and if one fulfills them then one gains the grace and blessings of Allah. By the grace of Allah there was some new ba'aits. We welcome sister Kathryn Giannelli and sister Ruksana Kirmani to the Jama'at.

Coffee Cake in Islam – Maintaining our weekly regimen of coffee, cake, and a dash of food-for-thought every Thursday's between 7:30 - 8:30 PM. Our Tabligh department has been actively reaching out the students of various colleges city-wide (Queen's College, Saint John's University, York College, etc..) to gauge interest and invite anyone interested. We closed this month with a notable highlight – A journalist from Columbia University joined us on the 10<sup>th</sup> of the month for a interview. Respected Regional Qaid, Salaam Bhatti Sb. devoted his time to help answer any questions and detailed the 11 points of True Islam campaign for our guest, she then proceeded to film a documentary during Salat to conclude.

Thanksgiving – On Wednesday the 23<sup>rd</sup>, respected Asad Bajwah Sb. arranged a special Thanksgiving/ Tabligh event at the Lutheran Church (near Bait-uz-Zafar) where the Tabligh members invited each and every participant of the event individually to join us at our Coffee Cake in Islam weekly program.

Temple Tikvah (New Hyde Park) – The Jama'at was invited to a separate Thanksgiving program hosted by the Temple's Event Coordination leaders. Respected Ahmad Mubarak Sb. attended on behalf of the Jama'at where he delivered marvelous introduction to Surah Al-Fatihah through recitation, translation and commentary.

### ***Property Report:***

In this month we actually had a lot of big accomplishments that we completed over the course one month and 5 days. The month started off with our basement tiles. We have replaced our old tiles with newly purchased tiles installed with the help of our Jama'at members. The second task we had was the do-over of our parking lot. As you can see the parking lot has been fully renovated with clearer parking lanes and the addition of speed bumps for the safety of our jamaat members. This project was given to a outside contracted over seen by our property secretary Saab. Our next task consisted of a leaked on the kitchen sink. One of our pipes had leaked but this issue was given immediate attention and resolved quick. The biggest task we had this month had to be out heating system. This matter took a lot of time and effort to ensure that our facility had a fully functioning heating system for the comfort of our Jama'at members.
